RICHARDSON, William T.
XC 2,552,698

Dear Madam:

This is in reply to your letter of June 5, 1938 relative to your title to pension as the widow of the above named Civil War veteran.

Under date of March 30, 1937 you were informed of the requirements which must be met in order for the widow of a Civil War veteran to have title to death pension.

You are informed that there has been no change in the laws subsequent to March 30, 1937 whereby you would have title.

In view of the fact that your marriage to the veteran was not prior to June 27, 1905 you are without title to death pension in your own right under the Act of May 1, 1920 and other Service Acts.

All communications relative to this case should bear the veteran's name and refer to the number XC 2,552,698.

Respectfully

E. L. BAILEY
