Lloyd O'dend'hal, Atty.,
Baltimore,
Maryland.

Sir:

The above cited claim for widow's pension under the Act of April 19, 1908, filed September 12, 1916, is rejected on the ground that the claimant did not marry the soldier prior to June 27, 1905, as required to give title to pension under the Act of September 8, 1916, it appearing from the copy of the public record that she married him September 28, 1905, instead of September 26, 1904, as alleged in her pending claim under said act.

G. M. SALTZGABER.

Commissioner.
