Commissioner.

Registrar of Vital Statistics.

Mr. Lloyd Odend'hal,
102 E. Lexington St.,

Dear Sir:-

In reference to your inquiry as to the death of Horace Lewis, who died in Alexandria County, Virginia, on July 26, 1896, will say that we only began to keep records for the whole state on June 14, 1912. We, therefore, have no record of his death in our office. Would advise that you write to the Board of Health, Alexandria, Va., and they can probably give you the desired information.

Very truly yours,

W. A. Plecker
State Registrar.

(B).
