

Page so far as I ever knew, He never
went under any other name than
Jerry Rhodes while I knew him.
His first wife was named
Cassie or some such name. He
always told me she was dead and
so did his children by her. There
are three children by his first wife
living here, Benjamin Rhodes,
Ozzie Rhodes and Thomas and
Lizzie Rhodes (dead). This wife
he said died in Md so he said.
He never lived with any woman
after her death up to the time
he married me that I knew or
heard anything of.

He was never separated
nor divorced from me but con-
tinued to live with me up to
the time of his death, about
12 or 14 years ago, at Hampton
Va, of his coughs from some
kind of stomach trouble. Drs.
Wallace (dead) and Island attended
him during his fatal sickness
which lasted about three weeks.

I was married to the soldier
under the name of Martha Nor-
thern at Hampton Va by El-
der Butts, pastor of the M.E.
Church about the time Pres
Garfield was assassinated.

Since the soldier's death
I have lived at Hampton Va
and resided with my son. I have
not married since the soldier's
death and am janitor of the
school here on this street.
I had no child or children
