Sir:
I am enclosing records of my two brothers who served in the Civil War. I would like to know if I am not entitled to a pension or some money as they were not married and I am the only relative living (sister) 78 years of age and badly in need of help. I only receive a small amount of relief (\$14⁰⁰ a month) for old age it is not enough for Doctor bills & some-thing to eat. Please let me know if I am entitled to a pension
