Absolutely nothing of the disability
alleged by Claimant. He knew the
Soldier intimately and well and
considered him exceptionally bright
and intelligent.

There is no apparent merit in the
claim but I recommend further examina-
tion as per list as follows:

Thomas Knock, Temperanceville, Accomack Co., Va.

Horace Price, 931 Chestnut St., Camden, Camden Co., Va.

for service origin of insanity.

Very respectfully,

Wayne W. Cordell

Special Examiner.
