

Department of the Interior,

UNITED STATES PENSION AGENCY,

WASHINGTON, D. C.

March 5, 1909

Mr. Moses Shipley

2" call

Sir:

"Biennially every guardian or other person acting in a fiduciary capacity, receiving the pension of his or her ward or wards, will be required to file with the Pension Agent by whom the pension is payable a certificate of the court having probate jurisdiction, showing that the guardian or person acting in a fiduciary capacity has properly accounted to the court, as required by law, and that the account has been approved; or, in the event that the requirement of accounting has been waived, the certificate will show this fact, instead of that the account has been rendered and approved."

In conformity with this requirement you will cause the blank form hereunder to be properly filled, signed, and attested under seal by the clerk of the court to which you are accountable in the execution of your trust, and forward the same to this agency with your executed voucher for the pension due to March 4, 1909.

Very respectfully,

U. S. Pension Agent.
