Hon N. Clay Evans  
Comr. of Pensions  
Sir

I have the honor to return the papers in the claim C 913387 of Mons Shipley Trustee of Joseph Shipley (insane) with my report.

This case was referred for investigation to determine origin of insanity, and came to me for the testimony of Horace Price

He has no knowledge of the origin of the insanity. So far as he remembers, the soldier's mental condition in the service was all right.

The claim appears to be doubtful

Further examination is recommended as per list at Coit Fayette Co W. Va for Geo E Taylor

Very respectfully  
R M Morris  
Special Examiner
