To

Hon Commissioner of Pensions
Washington D. C.

Hon Sir

About two years ago I filed a claim
for pension. and placed the said claim
in the hands of Col Vernon of Baltimore
and from whom I can get no satisfaction
in regards to the said claim. Now Honored
Sir I am a poor man and have no means
and every time I go to see him about
my claim He asks me for money and
I am not able to pay. Now Honored Sir
I would like you to inform me what
I am to do. and if my claim has been
sent to you. whether it has been allowed
or not

Yours most respectfully
William Henry Cure
