

Friday night
Rudolph Bredt

(11)

[27 May]

My dear Clementina

This will be delivered
to you by my friend Lord Pack
a real good Soldier ~~and~~ I ~~will~~
to you a few hours more by
the Sloop but she may arrive
sooner than the Whiting, as she
will get out before dark -
I have nothing further to say only
that I am all anxiety to be
off - because I think that the
sooner I see the more I
shall be with you.
