

[288]

BENJAMIN CHANDLEE,
CLOCK AND MATHEMATICAL IN-
STRUMENT MAKER,

NO. 98, HIGH STREET, OLD TOWN,
 BALTIMORE,

Manufactures Clocks and Surveying Instru-
ments, viz.

Common Compasses; do. with Nonius Theodolites; do. with Telescope, Level and Vertical Arch; Levels, Chains, Scales, Protractors, Dividers, Plotting Instruments in cases, &c. &c. Which he will also repair in the best manner.

Watches also carefully repaired.

Having had much experience in the above branches of business, he hopes to give full satisfaction to those who may be induced to favor him with their custom.

JOSEPH TOWSON,
MERCHANT TAILOR,

NO. 16, SOUTH ST. CORNER OF LOVELY LANE AND OPPOSITE THE MARYLAND INSURANCE OFFICE.

Respectfully informs his friends and the public, that he has on hand and constantly intends to keep, a seasonable supply of **GOODS** in his line of business.

He likewise returns his most unfeigned thanks to his friends and a generous public, for the very liberal encouragement he has received since his commencement, and he assures them no exertion shall be wanting on his part to merit a continuance of favors.
