Dear Mr. Alexander, 1914

Having long ago determined that either the Scorpion or Goliath should take home the next condor from hence, especially as the latter is such a sturdy bird in my opinion her return necessary. Her cruise being out on the 7<sup>th</sup> of April. I have directed the enclosed notice to be sent off, if you think fit about the period <sup>specified</sup> <sup>specified</sup>. The Goliath <sup>will</sup> be likewise out in about a fortnight
