Sir, The Officers directed to survey the
of stores in the Naval Yard here having requested
be informed what remuneration it to be made them
for this extra duty. You will endeavor to ascertain what
allowances have been made to Officers employed upon
this service in other Foreign Yards & pay those rates
upon the survey here agreeably to the same scale.

Sir, Your letter of the 1st ult. by 8th boat has been
I am in great hopes that the ships which have come
out from England will have enabled you to furnish
for the Convoys: if any come here they will be sent to
Capt. Maillard sailed a few days ago for Boston they
directed him to keep off Portland for the short time he
can remain there, taking care to be at Halifax to pass
to England with the July Convoy. I am in great
want of the Gun Boat & with one of them will
I send you the Piston Schooner, she will do for
you than any of them. The ship is to be
chartered by her and one or two flat boats of 100
or 120, the other will also be sent to you
ships of war to relieve her. They are well
