of Lieut. Colonel & Colonel while serving with the British
As taken with him a Subaltern of Artillery & 2 Grenades,
Two Officers of Marines & about 100 men & some Officers
and Marines to drill the Indians & to enable him to
communicate with me as early a date as possible
the real state of that Country, if the prospects are
favorable the force will be increased - Sir Thomas
Booke will also take on board a further supply of
about & about 1000 Swords. I have sent to Halifax
to try to procure 2 Dragon Accoutrements, if your
Exp. has any at Providence they cannot be better em-
ployed than with the Indians who abound with
Swords. Should no Ship of War be at New Providence
when the Exp. arrives. I have to beg that your Exp.
will be pleased to order the Arms &c to be taken
care of & delivered to me, if the Ship belonging to
the Station to be conveyed to the River Appalachicola
New Exp. I have the honor to be
