In Observing that Capt Barclay is included
in the promotion of Post Captains and as the War
may be some time returning to Halifax I have for the
and this reason appointed Capt. Cochran of the War
to the Detail, superseding Capt Barclay's appointment
which you will be pleased to consider as cancelled, and
return the enclosed to Captain Cochran.

Upon the Doctor's arrival at Halifax, he pleased
to have her effects made good and sent to join me with
out loss of time; calling off New London to ascertain my
position. I should the Chesapeake be at Halifax
upon your receipt of this letter. I request she may be
hastened to join me as soon as possible calling also off
New London.
