Transport at Sea

26th September 1814.

The Lords Commissioners of the Admiralty
having been pleased to direct that Dr Latham
shall be allowed the sum of five shillings of
diet for his attendance of the sick upon Iceland
Island and that the same shall be paid
annually at the Transport Board upon his
producing the required certificates - of which
Dr Latham has been made acquainted.

1814

d

You are to discontinue the payment of
ten shillings of diet to that officer as was
directed by my order of the 15th April 1814,
and you will transmit to the Commissioners
of the Transport Service by the earliest opportunity
an account of the sums you have advanced to
Dr Latham, in order that they may allow, or
deduct the extra five shillings of diet which
he has been receiving, as they may think
proper.
