Sir  
You will direct Mr Ball, Master of the  
HMS Sloop under your Command, formerly of the  
Plumper Gun Brig to state as far as he may  
the circumstances of the loss of that Brig, to report  
what part of her Crew was saved and particularly  
whether or not her Lieutenant was amongst the  
number, and (which statement you will forward  
to me by the earliest opportunity) if he knows  
the Pilot that was on board at the time of the  
is to be found.

Captain Mr. Rainolds
