No 47 Sir

I have the honor to acknowledge the
receipt of your letter / dupl / No 62 of the 12th December
transmitting a letter with enclosures which you had
received from Captain Barrie of the Dragon detailing
the particulars of some operations carried on under
his directions against the Enemy in the Rappahannock
river.

Also your letter / dupl / No 63 of the
same date transmitting me a letter with enclosures
which you had received from that Officer detailing
a gallant service performed under the direction
of Captain Alexander of the Devastation.

I request that you will acquaint Capt. Barrie
and desire him to communicate to the Officers who
were acting under him on the occasions above-
mentioned that I shall cause his letters and the
enclosures that have reached me with them to be
laid before the Lords Commissioners of the Admiralty
and call their Lordships attention to the gallant
services therein set forth and to the conduct of the
Officers whose names he has had occasion to mention.

Rear Admiral
Sir Geo. Cockburn K. C. B.
