

The Majestic, Seneca and Pomona in  
 company. I have to inform you that in conse-  
 quence of the Amymone having left this  
 Station under your command, I have written  
 a letter to Captain Hope conveying to him the  
 high sense entertained of the spirited and  
 judicious manner in which he commenced  
 and maintained the action with the enemy  
 and the bravery and discipline displayed there  
 by his officers and ships company, and  
 have to request that you will be pleased to  
 express to Captain Hayes, and the other officers  
 stationed off the Port of New York, my entire  
 satisfaction of the zeal they evinced by persevering  
 in their endeavours, notwithstanding the  
 unfavourable state of the weather, to maintain  
 the blockade of that Port, which has led to  
 a capture of so much importance.
