

Copy
Mr Warren

Notice.

53

In consequence of some ships having come to this Island from the West Indies and the Bay of Honduras to seek money to England and a representation also being made to me that several others are now preparing at this place for the same destination will be ready to proceed in a few days.

Information is hereby given to the respective Merchants and Ship Masters, that his Majesty's ship Sceptre, which is expected to arrive here next Week, will be ordered to collect the Trade bound to the United Kingdom and to put to sea thence with on the 15th of next Month.

Permeada 29th March 1854
Signed

John Robert Warren
Admiral of the Fleet and
Commander in Chief of the
