

had made an application for
Marines from the several
ships at the Mills, occa-
sioned the communication
made from the ships, to
this part of the Anchorage.

I shall consider how far
it is practicable for the
San Domingo, when there at
present are twenty American
Prisoners to be enabled to
receive a further number,
as she has already contributed
a large proportion of Seamen
to navigate the Sigsbee
home; and likewise what
quantity may be received
into the latter ship.

I will communicate my
