

to any suggestions of mine which
may conduce to the prosperity of
this Colony.

I was extremely concerned
to learn that any delay from
whatever cause had taken place
relative to forwarding the 90:
Regt from the West Indies to
Canada. As I am well aware
that this Corps not having
arrived at Quebec previous to
the opening of the Campaign
will occasion great disappointment
to Sir George Prevost. Under
this impression I feel much
indebted.
