

and that Admiral Lord Keith
has been directed to place
those ships, as also four
frigates, two or three sloops
and the Despatch and
miscellaneous vessels under
the orders of Rear Admiral
Macclesfield and to direct
that officer to proceed with
them to Bermuda and
put himself under your
command. And it is the
Lords' high direction that
you take that officer with
the said ships & vessels
under your orders according

It is the intention of
His Majesty's Government
that the above mentioned
division of troops should
be employed together with
the detachment of marines
in conjunction with the
Naval Force under your

command
