

with the same command by  
my Lord's command  
the admiralty to order  
in this point to such

163

All the tenders of may be  
expected about the middle  
of November by you, with  
Major General Ross, the  
troops under his orders,  
the mares and such  
General fine as you may  
think proper to employ  
in this service should  
meet it at their rendezvous  
not later than the 20th  
November

In addition to the  
troop ships you may also  
be expected to find a  
regiment from ten to twenty  
small vessels of various  
draft of water and capa-  
ble of carrying about  
100 men each. What I  
the
