

many agree upon with him,
and in addition to the force now
under his orders & the Union
the troops trained in the war

this day into the Admiral
ground at Jamaica which
stoppage of the harbor
the means of doing so with
sides for the execution of
the measures.

It is small vessels
and take command from the
ships under your orders
to enable you to effect this
without disturbing the square
from some other measures
will be sent in the line of battle
that which conveys the
board ships.

At Jamaica the
force is to be further en-
creased by the 5th West India
Regt. & 200 black pioneers for
which the small vessels
will afford you the means
