

will be found commended by  
 my Lord's own experience of  
 the Admiralty to what you  
 on this point to such pro-  
 vate answers as his Lord-  
 ship may have thought pro-  
 per to give you.

The measures which  
 you state yourself to have  
 taken & intend to pursue  
 for winning & disciplining  
 the Indians may be fully  
 approved and the sugges-  
 tion you offer for carry-  
 ing in this system into more  
 complete effect has been  
 submitted to the considera-  
 tion of the Secretary of State  
 for war & colonies.

of His Majesty's Ships and Vessels at Seaford  
 proceeded to try Captain Edward Crofton  
 with such of the Officers and crew of His  
 Majesty's late Ship Leopards, as have arrived  
 here for the loss of that Ship on a reef of  
 Rocks, off the East Point of the Island of  
 Antigua.
