4 November 1793

My Lords Commanders of
the Admiralty finding it
absolutely necessary
in the present
state of the
war, again to separate the
stations, on the union of the

78
towards me should interfere with any
engagements you come under to him,
for his succeeding to the command,
upon the coast of America, but as
his is my former office I can fight
I should not like to take a second
situation - but while I make known
to your Lordships my present sentiments
they leave to Apune you that I shall
at all times be ready to proceed to
any point where my services can
be beneficial to my Country

I have the Honor to be
your Lordships most Obedt^l
and Humble Servant
