

out in the hold and therefore  
requesting that I should order a  
Survey to be held on the said  
Punchon and Pipe

You are hereby required &  
directed to repair on board His  
Majesty's said <sup>ward</sup> Guard Transport  
board Collingwood and there take  
a strict and careful Survey on the  
Punchon and Pipe so stated  
to have leaked out in the hold  
reporting to me from and in your  
hands your Proceedings herein  
and if found as reported  
specifying particularly in your  
Report your opinions as to the  
Causes thereof, and you are to

To  
Lieut Wright  
The Master & Masters  
Mate of His Majesty's Ship  
there being no other of  
H.M. Ships in Co.

Given at Tangier Bay  
Chesapeake 30<sup>th</sup> April 1714

(Signed)  
G. C. Beavitt  
or your Beavitt
