

Lieutenant Hornston of the Albion
 commanded a detachment of the
 Boats, and I have great pleasure
 in reiterating the assurances I
 have given you of his meritorious
 conduct. — Lieutenant Alexander
 of the Dragon who commanded the
 third division of the Boats continues
 to merit in the fullest extent the
 high commendations you were pleased
 to express of his conduct, when he
 had the honor to be the Sub-Lieutenant
 employed under you in the different

 Lieutenants Dickinson, Marshall,
 Fitzmorris, Hoare, Wright, & Mr.
 George Pearson who commanded in
 the heavy Boats acquitted themselves
 fully
