

The Hospital Surgeon on board the
Hermione contained in your respective
Letters of the 12th Instant, you have my
permission to remove the Hospital
Hut from the former the first
convenient opportunity near to
Porto Island there to continue until
the Hospital now building upon
Islands shall be sufficiently
advanced to offer some advantages
towards the accommodation of part
of the Sick when the Hermione is to
be again removed to Anson's which
will by that time be prepared for her
in the neighbourhood of the said
intended Hospital by Commodore
Evans who will inform you
when it is right for the Hermione
to be so removed to them.
