Sir,

By Calliope

As the information given to me by Captain Codd of the Calliope, leaves me reason to fear that the Telegraph Schooner which I fell in with the 3rd Instant on my way here and the Cutter Stoop of War which sailed from this Place with Convoy for Halifax on the 11th Instant, and by which I wrote to you have both missed you, I herewith have the honor to enclose marked 1 and 2, the Heads of the more important Parts of the Despatches brought from England by the former, and marked 3 a Duplicate of my Letter to you by the latter.

Since the sailing of the Cutter, the Whiting has brought to me your three Letters dated Halifax 1st October, the one marked Secret informing me of your intended movements, and intimating your further
