

with French Passengers, but I beg you
will let it be understood that as this
Ship is of so large a class I expect all the
French Families now in America desirous
to return to France (in consequence of the
happy Restoration of their legitimate Monarch)
avail themselves of the opportunity now offered
them by the Preparateur, and therefore shall
not consider myself at liberty to grant
any more Passports of this Nature

In reply to the letter you addressed
to Vice Admiral Sir Alexander Cochrane
under date the 14th October last, I have this
Day signed a Passport for the Ship Preparateur
to sail from Baltimore for France with
