

Passports the one for the Raparateur
of 35 Tons Buthen to be permitted to
carry French Passengers from
Baltimore to France and the other
for any Vessel under 300 Tons
Buthen to be allowed to proceed
from Baltimore to the French
West India Islands also with
French Passengers which two Vessels
will I trust prove sufficient to
remove all those anxious to go
and who are in the distressed
state you mentioned, You will
oblige me by doing what may be
right with the enclosures and by
forwarding the objects of the
Passports.

I beg you to believe me
Dear Sir with much regard

Your very faithful Servant
