Navy Yard Wash^{tn} 12 Oct^r 1813

Sir

To complete the ammunition of the two
Sloops of War building at Baltimore, and the one
building here, it will be necessary to have a supply
as speedily as practicable of about 35,000 balls of suit-
able sizes for 32 ^{shot} lb^s grape, - and, for a general supply
of Canister, about 50 tons of 2, 3 & 4 ounce balls will
be wanting. If you approve of my suggestion of
28th Aug^r to make the ~~shots~~ for 32 lb^s grape of wood,
when intended for Cannonades, I will commence
having them made ready for the receipt of the
^{shot}. All which is respectfully submitted.

I have the honor to be
very respectfully,

Yr Obed Serv^t

W. M. Tinsley

Hon^{ble} W. M. Jones.
