

Charleston 21 January, 1813

The Honble The Secretary of the Navy

Sir

I have the honor to enclose for your information, the copy of a very important secret memorandum, given by the Admiral on the Halifax Station to the different Cruisers under his Command; It is a copy from the original handed me, and with a particular request that it might not be made public, but made use of by our Cruisers.

I have the honor to be
With great respect
Your Obedt Servt.

A. DAVIS
