

New York Feb 16th 1791
Robt. Fulton Esqr

Miscellaneous observations chiefly in relation to the application of the War Vessels and the effects which will probably ensue

Honorable Wm Jones

Secretary of the Navy

Washington

say that the Depot has a different number of guns of Caliber of the kind mentioned at Philadelphia which can be transported thro' ^{our} considerable expense. perhaps the War Dept may be prevailed on to loan some of the heavy Guns from some of the Arsenal Batteries in New York Harbor
