Honble William Jones

Sir. The Collector of this port informs me that the Schooner Adolphus has arrived here, she must have passed the pilot-boat, (I sent down, in the night, as she has not returned; The season Sir, is fast advancing, and I am at a loss in many things how to act, not having received your Instructions for a length of time; I could wish to be permitted to come on, as more can be done in one hour, personally, than by ten letters;

I am Sir with Respect  
your Ob<sup>d</sup> Serv<sup>t</sup>
