

Patuxent May 1st 1814
Honble William Jones 138

Sir. This morning I left the Patuxent
with the vessels mentioned to you in mine
of the 29th and arrived here at 4 P.M. I shall
send over land in the morning to point
look-out, for information respecting the Enemy.
I am informed here, that ashore and two or
three Schooners lay in the Potomac two
days ago; my look-out boat is still before
me, and I expect to hear from her to mor-
row; The information I shall receive from
Point look-out, will determine my move-
ments; I shall be delayed here today, to
get almost for one of the Barges, which
was carried away coming down, we
