

St Leonards Creek 18th June 1814

Sir,

126

Under the circumstances contained in the enclosed letter (which you will please read and return by the bearer) you will, I doubt not, accord with me, in the imperious necessity of my marching ~~my~~ the Troops under my command, immediately towards the enemy - Circumstances must therefore change, before I can return to your neighbourhood. I most sincerely wish you all the success and prosperity, which you, yourself can desire - and am, Sir, Respectfully

Your Obedt Serv^t

Henry Carbery
