

Nottingham M
August 17th

Joshua Barney

Enclosing a Report
-pecting the depth of the Patu
as high up as Queen Anne's an
state of the Roads thence to
South River - Accompan
by a variety of observations c
-cerning the conduct and po
-ble designs of the enemy and
offering his opinion of the
-sult which may be antic
-pated from the contemp
-ted removal of the Flotilla
and the quantity of force
requisite to accomplish
Object in one day.
