

John Martin a witness produced by the Com-
plainant in this commission named, being
duly sworn true and perfect answers to make
to all such interrogatories as to him should
be put in this cause, and therein to speak
the truth the whole truth and nothing but
the truth

To the fifth interrogatory He answereth and
says- He did live with the late General
Philip Reed on Huntingfield Farm
as an overseer in the year 1829- that
General Reed in that year informed this
deponent, that the wheat was to be seeded
for Richard Spencer, and that ^{extra} said
Spencer promised this deponent ^{remun-}
eration for seeding the wheat- and this
conversation took place in the presence
of General Reed- that ~~Richard Spencer~~
General Reed remarked that it was a
good plan to get the wheat in -
that Richard Spencer did direct
the particular kind of wheat to be
seeded and also the manner of seeding
it- that Richard Spencer did furnish
two ploughs, two hands, and horses
for the space of one week to assist
in seeding the wheat.
