

Dear Mr. [unclear]

Dear Sir

I had the honor to receive
yours of the 12th yesterday. The manner
will be a very acceptable force to the
Governor and his assistants, although I do
not think the enemy meditates an im-
mediate attack on this place.

The Haps remain much the same
as when I wrote last. The 50 which are
opposite has joined those above, and a
brig has gone below. Their tenders are
rounding the bar, and we have no
floating force of any description to oppose
them.

Very respectfully,
