

On the 1st of Jan: & 1. July ult^o the Returns were
as follows: — Round Shot, for,

1. Jan —	1. July	Capt. Morris Report
Pd ^{rs} 50. 24. 18 ^s . 12 ^s . 6 ^s	Pd ^{rs} 50. 24. 18 ^s . 12 ^s . 6 ^s	Pd ^{rs} 50. 24. 18 ^s . 12 ^s . 6 ^s
29. 303. 227. 268. 195.	29. 389. 402. 238. 190	13. 40. 35.
Diff: In Capt. Morris's Report, from that of Col. Watkins's of 1. July ult ^o .		16. 319. 367. 238. 190.

For the above Difference I can readily account
from the inaccuracy arising from frequent changes of
Commandants at that Station — from the regular line of
the Army to Militia — & vice versa: but, as there have
been no Expenditures of Shot, in Action, since the last
Report, it is presumable the Quantity of Shot required
by Capt. Morris, will, on further investigation, be discovered
to be on hand.

With regard to the Carriages for
the dismounted 24. Pd^{rs} — spare wheels & Horses
I shall write to the Commanding Officer at Baltimore
to have these which may be in readiness transmitted
without delay — & to give every other further aid in
supplying the other Art^s in demand at Annapolis
which can possibly be spared or procured from the
former.

With perfect Respect, I am
Sir Your faithful Serv^t
M. Morris, Dep. Com^d
