

of the three large schooners are about to fit them for
cruisers, of course, remain in them. Capt Hall
of the War has been appointed a Sailing Master, I
have applications without number to go in the Barges
but wait your orders. Captains Boyle & Rutter

recommend in the highest manner the Galley which
belongs here, as the fastest sailer that can be possibly

found (the Captain wishes much to continue in her) she
is faster than any of the four schoo ^{join} in

inclose you her demeritons by which you will see,
she comes within the Law, and can be had very cheap,
indeed the Committee has offered me, any, and all
their Barges if you wish them, without pay. if you
think proper to man them.

I am Sir with respect

your Ob^t. Serv^t
