Joshua Barney Esq. } Navy Department
Captain commanding the U.S. } July 11. 1814
flotilla, Patuxent River }

Sir,

As the critical state of the service in which you are engaged will not admit of the absence of yourself or Mr. Geohagan, from the flotilla, to attend the Court of Enquiry to be held touching the conduct of Captain Miller of the Marine Corps, the Judge Advocate of that Court has prepared the enclosed notes on the points to which he wishes the testimony of yourself & Mr. Geohagan to be directed, which you will please to have taken and attested on oath before some justice of the peace and transmitted to the Department.

see letter w/for

You will order Mr. Carter one of your officers (who was attached to one of the guns commanded by Colonel Woods) to attend the court of enquiry.

I am respectfully,

W. Jones.
