in order to try the long shore men so that you will
the local force in the neighborhood as from dispatch

The Starboard Lieutenant
left there on the 28th Feb. with a fine wind for the port
well man'd also of the Adams. Brown, recruited here
I expect he has joined Captain Sinclair some time

There should be in these waters 8 or 10
Boats man'd as the Franklin & dispatch boat are, for
do more injury by such boats, which they have the
put a gun on them man'd from their ships & up the
They cruise & take every thing, I sincerely believe they
would not have taken the numerous articles they have, (at
for some time) was not the Constellation here, which
I fear very anxious for by every information I could

I have furnished the General many
of ordnance & munition & continue to do upon his
Magistrate

I have the honor
