

for Bark to make Carriage, I should be glad
how far I am authorized to comply with these Regs
not wishing to incur displeasure in either department
but to act quietly to my instructions, notwithstanding
a demand of any article from the yard is made by
person ^{for any materials} which belongs to the security from there is some
inconvenience which is unpleasant for me & I have no bearing
in the yard but what is of that description

The Secretary to the Receiver
will leave this tomorrow in the Franklin for Bath
with a pass from the Admiral

I have the honor to
Sir your Obedt Servt

John Capron
