

U. S. Gun boat No. 67 June 30, 1813

Sir,

It is with Regret I have to state to you the arrest
of Sailing Master Edmund L. Young, for disobedience of
orders, a copy of which I enclose you in consequence
of his non compliance. The Starboard wing of the flotilla
was left exposed to the attack of the enemies boats, he was
one of the last officers I should have called on for that service,
but owing to his having only one anchor to left, and all
the rest of the boats too, to save trouble I situated him

Very Respectfully

Yours Obedt

J. Edgarson

I have ordered Mr. B. of the Constitution to take command
13th until further orders, my
