Warren - Croker

(2)

Their Lordships should have thought it necessary to have their disapprobation so strongly expressed of measures which were dictated by the greatest zeal for his Majesty's Service.

I have the honor to be
Sir

Your most obedient
humble servant
John Gorlase Warren

Endorsed as follows:

Their Lordships are by no means satisfied with this account & that tenders should have been manned at a time when the Ad^l complained that the Squadron was short of men & they direct that no tenders be allowed to any ship.
