In consequence of information which I have received, it will be desirable for you to proceed with the Force under your Command direct to Cape Negril the Western Extremity of Jamaica, and from thence take the same direction which you will then hear has been taken by the force under the Command of Major General Keane. You will on joining his force take the Command of the whole, and cooperate with His Majesty's Naval Forces under the Command of Vice Admiral Sir A. Cochrane, until the arrival of a Senior General Officer who will be dispatched from hence, and under whose command you will then place yourself.
